

GET THE MEDIEVAL FEEL - WALK IN THE OLD TOWN

Welcome to explore the Old Town of Stockholm!

Join us in an exciting walk through the narrow streets of the Old Town and experience the medieval feel of the houses built from the 16th to the 19th centuries.

Our guide will take you to Stortorget (the Great Square), and will tell you about the Stockholm blood bath of 1520, as well as recounting the legend of S:t George and the Dragon. You will see the elegant exterior of the Royal Palace as well as Storkyrkan, the church where the royal wedding took place last year.
